THE SOLAR ALLIANCE'S
APPLICATION FOR LEAVE TO
INTERVENE

The Solar Alliance ("Solar Alliance"), by its counsel undersigned and pursuant to A.A.C. R14-3-105, hereby applies to the Arizona Corporation Commission ("Commission") for an Order granting Solar Alliance leave to intervene in the above-captioned proceeding. In support of its motion, Solar Alliance states as follows:

1. Solar Alliance is an alliance of solar manufacturers, integrators and financiers dedicated to accelerating the development of photovoltaic (PV) energy in the United States. The Alliance specifically targets its efforts to help legislators, regulators and utilities make the transition to solar power by providing the technical and policy expertise to create programs that are in the best interest of residential, commercial, and government customers and Americans as a whole.

2. Arizona Public Service Company's ("APS") RES Implementation Plan 2010-2014 ("Plan") contemplates that APS will acquire renewable energy resources to satisfy its obligations under the Commission's Renewable Energy Standard and Tariff Rules ("REST Rules").

3. Members of Solar Alliance provide solar energy resources of the type APS

1 intends to acquire pursuant to its Plan.

2 4. As providers of the types of solar energy resources by which APS proposes
3 to meet its obligations under the REST Rules, Solar Alliance and its members will be
4 affected directly and substantially affected by the decision of the Commission in this
5 proceeding.

6 5. The granting of intervenor status to Solar Alliance will not delay this
7 proceeding or cause the issues to be unduly broadened, nor will it unduly prejudice APS
8 or any other interested parties.

9 6. Service of all correspondence, documents or pleadings should be made to:
